Joyce Kline, your years of volunteer leadership have distinguished you among young alumni. As your career responsibilities continue to increase, you have remained loyal and dedicated to your alma mater.

Through your involvement as a member of the Alumni Cabinet, you have made important contributions to the mission of the Alumni Association. As chair of the Regional Clubs, you led the formation of the Boston Club, then made that regional effort national. Through your participation as the chair of the Corporate Agents Board and your service on the Alumni Funds Board, you have been an integral part of the annual Alumni Fund’s success.

Your commitment to WPI began during your undergraduate years, when you were elected secretary for the Class of 1987 and chaired the Student Alumni Society. You also served as a resident hall director, a campus tour guide, a member of the Task Force on Admissions, an Orientation leader, and a member of the Dean of Students search committee. Since graduation, you have continued in your role as class secretary, and have been a leading Reunion volunteer. You’ve served generously as a member of the Class Board of Directors and have participated in the alumna/student e-mail mentoring program.

Joyce Kline, your valuable insights and engaging demeanor have made you a leader and an honored friend. It is with great pleasure that WPI recognizes your commitment to your alma mater by presenting you with the John Boynton Young Alumni Award for Service to WPI.
