Q: What Projects Have Been Done In The Past?

A: Most projects have focused on the general area of Sustainable Design or Sustainable Solutions such as:

- College Sustainability Designs
- Green Guide for Roads Rating System
- Sustainable Community Design
- Renewable Energy and its Various Applications
- Landscape Architecture

A complete description of projects may be found at:

http://www.wpi.edu/academics/Depts/CEE/stantec.html

Q: Where Are Stantec Projects Conducted?

A: At a Stantec Office. Last year projects were conducted at the Stantec corporate office – Edmonton, Alberta. This year the projects will be conducted in Lexington, KY.

The location for next year (2011-2012) has not been decided upon. Possible locations are Lexington, KY and Halifax, NS

Q: Are PQPs Required?

A: Yes. A 1/3 unit PQP is required before the project (PQP – B Term, MQP – C Term). A weekly 1 hr meeting with the on-campus advisors and telephone conference calls with the Stantec advisors are often conducted in these meetings.
