ADMINISTRATION OF PLAN

WPI Employees' Dependent Children Tuition Plan is administered by the Human Resources Department.

Payments are made directly to the employee through payroll, upon presentation of an itemized bill from the institution indicating the total and tuition and fees to be paid. In cases where the institution has a total fee covering tuition, room and board, the bill must be accompanied by a letter from an officer of the institution indicating the amount which should be considered tuition and mandatory fees. Payments are made on a semester, quarterly or trimester basis.

Should a recipient either fail to matriculate, not register as an undergraduate student, or leave college before the end of the term, the grant will be refunded to Worcester Polytechnic Institute in accordance with the institution's regulations governing the adjustment of student accounts.

I certify that my dependent meets the eligibility requirements of the plan in regards to age, dependent tax status, and accredited study.
