**July 31 / August 1 Arrival Details for Participants (not Master Teachers)**

- **If coming to campus by airport shuttle on Sunday, July 31**, get dropped off just to the right of East Hall (30 Boynton St., Worcester, MA) at WPI's Campus Police, located in the basement of Founders Hall (26 Boynton St.). There is a stairway down to Campus Police located between the two buildings. Campus Police is open 24/7. They will have your room key and ID card for you to pick up before proceeding to East Hall.

You can enter East Hall from the side door directly opposite the Campus Police stairway. Your WPI ID card will give you access to the exterior doors, stairwells, and elevators in East Hall. Passing your ID card in front of, or tapping it gently against, the RF ID pad (small box w/ thin light strip) will unlock the door/elevator. You’ll also need to tap your WPI ID against the RF ID pad inside the East Hall elevator to get it to move. It’s important not to bend your ID or the chip inside will break – replacement IDs cost $25. Any problems, WPI Campus Police can be reached at 508-831-5433.

Your Wednesday night or Thursday morning shuttle pick-up should be scheduled for this same 30 Boynton St. address and no earlier than 6pm on Wednesday. WLimo offers a discounted WPI rate if you **book online or request it when making your reservation by phone**. They offer shuttle vans to the Boston and Providence airports and more expensive private car service to any airport in the Northeast.

- **If coming by car**, park in the WPI Boynton St. Lot, 27 Boynton St., Worcester, MA (directions). To avoid being ticketed, **this parking pass must be displayed on your dashboard at all times!!** If you arrive Sunday, please see the instructions in the first two paragraphs above about early check-in at Campus Police. If you arrive Monday, you will need to leave your luggage locked in your car until late in the day.

- **By 8:00am Monday**, proceed up the hill to Salisbury Labs with your laptop, iPad, a pen, and a **campus map**.

### TENTATIVE Schedule for the 2016 PLTW Core Training at WPI
