Career Development Center
The Career Development Center (CDC) at WPI assists students in the development of life-long skills related to careers and the job search process. CDC serves not only to undergraduate students but graduate students and alumni as well. Information and guidance is provided in the areas of full-time employment, graduate school, part-time employment, Cooperative Education and summer positions. Call 508-831-5260.

Class Cancellation
Classes are rarely canceled because of inclement weather. However, if in doubt you may call the WPI switchboard, the Graduate Admissions Office, or 508-831-5744 to find out if a particular class has been canceled. When all classes are canceled (severe weather during the mid-day period, forecast to last through evening) cancellation will be broadcast on radio stations WTAG, WSRS, WAAF, WFTQ, WKOX and WBZ.

Computer Resources
WPI’s Fuller Laboratories provide dedicated space for faculty, staff and students working in the information sciences. The WPI College Computer Center (CCC) is located in this building, along with the Computer Science Department and the Instructional Media Center.

CCC provides a wide range of services and access to computer resources for the WPI community and manages an array of powerful UNIX workstations. All WPI students, faculty, and staff can obtain a login ID at CCC for academic course work, research, and self-education. The ID will remain in force as long as the person continues to be registered as a student or to be employed by WPI. The systems have been configured so that the user will see the same familiar environment no matter which CCC workstation is used.

CCC facilities are accessible from a wide variety of locations on campus, or via modem, or from around the world via the Internet. CCC operates the campus data network, the modern bank, and the Internet connectivity. Computer systems operated by academic departments are also on the same CCC communications infrastructure, so they are accessible just as easily.

CCC manages a computer help desk to answer users’ questions on any of the computer platforms and provide short instruction sessions on supported software. CCC also provides technical support for endorsed packages. Several special computer environments are maintained, including several PC classrooms and open-access PC laboratories.

CCC is generally open from 1 p.m. Sunday until 11 p.m. Friday (24 hours a day) and Saturday 10 a.m. to 5 p.m. during the academic year. When WPI is not in session and during undergraduate “term breaks,” as well as summer session, hours will be posted at CCC. Assistants are available at both CCC and the PC Lab to help students with special requests.

To reach the CCC help desk call 508-831-5888 or e-mail: helpdesk@wpi.edu.

Extracurricular Activities
The Institute provides a varied program of sports and recreation. Graduate students usually enter teams in several intramural sports, and may participate in certain intercollegiate club sports as well as on-campus musical or theater groups.

There are outstanding athletic facilities for tennis, swimming, squash, basketball, racquetball and volleyball, as well as a weight-lifting room, a fitness center, a sauna and several outdoor playing fields. Graduate students frequently join faculty groups for noontime jogging, aerobics and basketball.

A wide variety of entertainment is brought to the campus, ranging from small informal groups to popular entertainers in the 3,500-seat Harrington Auditorium. A series of films is shown in Perreault Hall, and chamber concerts are presented in the Baronial Hall of Higgins House.

The normal social activities of a medium-sized city are readily accessible, many within easy walking distance. Other activities of interest to students are offered by the many colleges in the Worcester Consortium (see Intercollege Studies and the Consortium).

Gordon Library
The George C. Gordon Library supports the informational and research needs of the WPI graduate community. The library staff works closely with each department to augment library resources pertinent to graduate and other research interests. The collection currently numbers over 345,000 volumes and includes subscriptions to over 1,200 current periodicals. The collection also includes under-
graduate project reports; graduate theses and dissertations; and the WPI Archives and Special Collections. Library resources come in many formats: print, audio, video, and digital.

Gordon Library is open over 100 hours each week during the academic year. Many services and resources are also available to graduate students twenty-four hours a day via the library’s World Wide Web based system. Here students can access the Gordon Library catalog, local and remote library catalogs, bibliographic databases, full-text articles in electronic periodicals, and other reference tools and resources located anywhere in the world.

In addition to the Gordon Library’s resources, WPI students may utilize the collections of other Worcester area libraries. Students with a WPI identification card can borrow books directly from the libraries at Anna Maria College, Assumption College, Becker College, Clark University, College of the Holy Cross, University of Massachusetts Medical Center, and Worcester State College. Students also can request materials not owned by Gordon Library through the interlibrary loan and document delivery services. Before classes begin each semester, library staff offer orientation sessions to graduate students. Throughout the year, members of the Reference Department conduct both library and Internet orientation and instruction sessions. Gordon Library staff will consult with students in the preparation of theses and dissertations. Standard reference guides are also available. A pamphlet, Regulations for Preparation of Theses and Dissertations, prepared by the library staff and sponsored by the Office of Academic Affairs, is available to all graduate students.

Open Monday-Thursday 8 a.m.-midnight, Friday 8 a.m.-11 p.m., Saturday 9 a.m.-9 p.m., and Sunday noon-midnight. During the weeks when there are no undergraduate classes and during the summer, hours are posted at the library. For more information, call 508-831-5410.

Housing
A limited amount of on-campus housing is available for single graduate students. There is no on-campus housing available for married students. Most graduate students live in rooms or apartments in residential areas near the campus.

For information regarding on-campus housing, as well as listings of off-campus accommodations, contact the Residential Services Office, 508 831-5645.

International Graduate Student Services
The Office of International Students and Scholars is located in WPI’s International House at 28 Trowbridge Road. The office provides information and assistance on immigration and other regulatory matters, information on cultural and social programs and services as well as general counseling.

The International House also serves as a meeting place for international students with its lounge area, meeting room and resource room. WPI’s English as a second Language Program is located in the house. The house also offers limited temporary housing for international graduate students.

Student ID Cards
The Student ID Card serves as a library charge card. Anyone without an ID must pay a fee of $8.00 to obtain one. Arrangements will be made at the beginning of each semester to provide ID cards for those registered in the Evening Program (usually the day of the first class meeting between 5 and 6:30 p.m. in the lower level of Boynton Hall). You may obtain a current validation sticker at the time of registration, or with a completed registration form when obtaining a new ID. Additional opportunities are available throughout the school year to obtain an ID. For details, call 508-831-5150.

Student Life
The Student Life Office staff is available to students enrolled in the Evening Program to assist with any out-of-the-classroom concerns that may arise. Staff members are available between 8:30 a.m. and 5 p.m. Appointments outside of these hours can be arranged by calling 508-831-5201.
