Computer Resources
WPI’s Fuller Laboratories provide dedicated space for faculty, staff and students working in the information sciences. The WPI Computing and Communication Center (CCC) is located in this building, along with the Computer Science Department and the Academic Technology Center.

CCC provides a wide range of services and access to computer resources for the WPI community, and manages an array of powerful UNIX, Linux and Windows servers. All WPI students, faculty and staff can obtain a login ID at CCC for academic coursework, research and self-education. The ID will remain in force as long as the person continues to be registered as a WPI student. The systems have been configured so that the user will see the same familiar environment no matter which CCC workstation is used.

CCC facilities are accessible from a wide variety of locations on campus or from around the world via the Internet. CCC operates the campus data network and the Internet connectivity including a VPN (Virtual Private Network) to access internal resources remotely. Computer systems operated by academic departments are also on the same CCC communications infrastructure, so they are accessible just as easily. The CCC supports open access labs in every academic building totaling hundreds of computers across campus. Wireless network access is available in all academic buildings and wireless laptops are available on loan for use in the library and campus center.

CCC manages a computer Helpdesk to answer users’ questions on any of the computer platforms and to provide technical support for endorsed packages. CCC also provides instruction sessions on supported software in the state-of-the-art computer-training classroom that CCC maintains in the Gordon Library.

CCC hours are 11 a.m. Sunday until 10 p.m. Friday (24 hours a day) and Saturday 11 a.m. to 7 p.m. during the academic year. When WPI is not in session and during undergraduate “term breaks,” as well as summer session, lab hours will be posted at CCC.

To reach the CCC help desk, call 508-831-5888 or e-mail: helpdesk@wpi.edu.

Gordon Library
The George C. Gordon Library supports the informational and research needs of the WPI graduate community. The library staff works closely with each department to augment library resources pertinent to graduate and other research interests. The collection currently numbers approximately 183,250 books, plus an e-book collection of close to 25,000. The collection includes subscriptions to 2900+ hard copy journals and approximately 18,500+ electronic titles. The collection also includes electronic theses and dissertations. The WPI Archives and Special Collections hold the records and artifacts of WPI, as well as a significant number of rare books.

Many services and resources are available to graduate students 24 hours a day via the library’s web site (http://www.wpi.edu/Academics/Library). Here students can access the library’s catalog, over 150 electronic databases, full-text journal articles, online reference materials, and other resources, local and remote. Forms are available on the Web site and within Your Account in the library catalog to place interlibrary loan requests (for items not available via WPI’s collections), make suggested purchase recommendations, request a research consultation, and request retrieval of items in storage. Instructional videos and course web pages provide guidance in use of the library. The library building offers a variety of work spaces for both quiet and group study, including IT Labs that offer plasma screen and dedicated computer, DVD and VCR player, and net drops.
