Is your chapter what your founders envisioned?

No fraternal organization was founded on the principles of hazing.
What to do if you witness or experience hazing

**Refuse to participate.** Don’t allow hazing to go on.

**Expect respectful treatment.** Stand up to anyone who tries to haze you.

**Make a change in your organization’s new member program.**

**Report it.** Contact Emily Perlow, Associate Director of Student Activities and Greek Life Programs at 508.831.5961 or eperlow@wpi.edu.

**Call the Hazing Hotline anonymously.** 1-888-NOT-HAZE

**Hazing**—any act that compromises the dignity of another; causes embarrassment or shame to another; causes another to be the object of malicious amusement or ridicule; line-ups; sleep deprivation; call downs; interviews; calisthenics; manual servitude; degrading names; blindfolding; limiting access to a new member’s friends; taking away student IDs, watches, wallets, or cell phones; wake ups using loud sounds or music; forcing new members to wear the same attire all week long; exposure to the elements; asking new members to steal, destroy, or vandalize property; forcing new members to sleep in the basement or on the floor for a week; limiting contact with people outside of the organization; kidnapping new members; treating individuals as lesser.

**Hazing has no place at WPI.**
We’re WPI. We’re different from other campuses. Aren’t we?
