Great Problems Seminar
Lecture Series

Share your bed!
(when you’re not using it)

... your browser
... your brain

...from the woman who taught us to share cars:

Robin Chase is founder and former CEO of Zipcar, the largest car-sharing company in the world, and GoLoco, an online ride-sharing community. She was one of Time magazine’s 100 Most Influential People in 2009.

Solving the world's problems:
People + Platforms = Speed + Scale

How we can increase the pace, lower the cost, and enhance the quality of innovation. Together.
